WHAT ARE SENIOR REPS ?

I am looking for fun, outgoing, and creative juniors to represent me. If you like being in front of the camera and want a nice discount on your senior photos, then you may be my next Senior Rep!

Senior Model Reps are students who represent me in exchange for a discounted senior experience photo session and credits toward the cost of their own printed portraits. It's possible for a rep to save hundreds of dollars on the cost of their own senior portraits by referring their friends and classmates to us for their senior portraits. It's a great experience!

SO WHAT'S IN IT

FOR YOU ?

It's truly a win-win situation, I get your energetic recommendations to all your friends, classmates and family and your images to use in my marketing tools, and you get...

FREE IMAGES

Digital images to post & share online

FREE REP CARDS
